SUBJECT: Appointment to Environmental Review Board

Dear Mr. Magney,

I am very pleased to inform you of your selection to serve on the Los Angeles County Environmental Review Board (ERB). Your qualifications make you a valuable addition to the County planning process.

The ERB is comprised of professionals, such as you, with demonstrated environmental expertise and assists our department, the Regional Planning Commission, and the Board of Supervisors in evaluating development projects within Sensitive Environmental Resources as identified in the Malibu Local Coastal Plan (LCP). The ERB reviews and makes recommendations on the compatibility and consistency of projects within the coastal zone as set forth in the LCP.

Your appointment will be effective Friday, September 1, 2006. As you know, your participation on ERB is voluntary. Every effort will be made to make your contribution mutually beneficial. This Department will provide staff and clerical services necessary for ERB operations.

For your information, I have enclosed the enabling ERB County Ordinance that was adopted by the Board of Supervisors on April 23, 1992 and a schedule of the ERB meetings for 2006.

I look forward to your participation on the ERB. If you have any questions, please contact Joe Decruyenaere, Acting Senior Biologist, in the Impact Analysis Section at (213) 974-6461 Monday through Thursday between 6:30 a.m. to 5:30 p.m. Our offices are closed on Fridays.

Thank you for your interest in serving Los Angeles County Environmental Review Board.

Sincerely,

DEPARTMENT OF REGIONAL PLANNING

James E. Hartl, AICP
Acting Director of Planning
