

**Lyons Canyon Ranch
Draft Environmental Impact Report**

12.0 MITIGATION MONITORING PROGRAM

Pursuant to Section 15097 of the 2005 California Environmental Quality Act Statutes and Guidelines, the County of Los Angeles Department of Regional Planning will adopt a Mitigation Monitoring Program for the proposed Lyons Canyon project (TTM 53653). This Mitigation Monitoring Program will be included as part of the Final EIR to ensure that any project revisions or revisions to the mitigation measures proposed in this Draft EIR during public review are identified and ultimately implemented for the purposes of mitigating or avoiding significant environmental effects.
